

St. Nic's...
the
next
generation

The church has been here in Codsall for at least 800 years. In every generation there have been those who have handed on the torch of faith. We thank God for those who have passed on that light to us. We are now looking to pass on the same light of faith to the children and young people of today, so that as they grow up they may discover God's love for themselves, and learn to walk in his way.

There are lots of ways that we are seeking to do this. Our All age Service at 11.15am each Sunday is a great place for families and others to worship together. The children feel welcomed and valued. Our young people play their part in the service, and join together for their own activities in our Youth Group.

We visit local schools to take assemblies and invite pupils to activities in the church. We put on a monthly St.Nic's@St.Nic's service at St. Nicholas First School. We arrange other special events for children and families. and welcome our Toddler group to church.

Much of this is led or supported by our Children, Youth and Families Worker. Without this post, we would not be able to support so many children and families on their journey of faith. When this post was first established, it was mainly funded by the Diocese of Lichfield's Growth Fund. Gradually, that support is decreasing, and we now have to find about £13500 per year towards the cost of this position.

That is why we are asking if you might be able to support our work with children, families and young people, including the cost of this post, by making a donation. Maybe you would like to make it in memory of someone who has shared God's light and love with you in some way. We have worked out that if 35 people are able to make a gift of £100, using Gift Aid, we would raise 1/3 of the cost of this post to us this year.

That could be our gift to the generations of the future.
Please help us to pass on the light.

With grateful thanks,
Revd. Simon Witcombe
